ASSESSORS LOWER SHEEP VALUATIONS

Other Stock Values Will Remain the Same as Those of Last Year

The meeting of the county assessors which had been in progress in this city since Monday, came to a close yesterday evening, and a majority of the delegates have left the city for their homes. The meeting of yesterday was held in the blue room of the Adams hotel.

Most of yesterday was taken up with the question of getting at an equitable minimum valuation for the various classes of live stock. After considering the matter, it was decided that the valuations for the coming year should remain the same as those of 1915 with the exception of the valuation per head on sheep, which was reduced from \$4 to \$3.50. The reason for this reduction was the fact that the coming year is not the most promising for the sheep raising industry and the officials felt that in fairness to the sheep men a reduction in valuation should be made. The valuation on cattle will still remain at \$25 per head, and the old figures on horses will still be in effect, namely, \$100 per head on class A work horses and \$40 per head on class B animals. Harry Gray, head of the state wool growers' association was present and it was largely through his efforts that the reduction on the sheep valuations was obtained.

At the close of the session, the assessors held a meeting of the regular assessors' association and at this time the annual election of officers was held, all of the old officers being elected to succeed themselves. Following are the officials: president, George Truman of Pinal county; vice president, C. A. Hughes of Cochise; secretary, C. E. Gentry of Yavapai; assistant secretary and treasurer, L. K. Smith of Pima.

PLAINTIFF OVERCOME BY EXCITEMENT

Incident in Trial of Smith vs. Fike Suit for Damages

Utterly prostrated by the excitement of the court room, Mrs. A. N. Smith suffered a nervous collapse yesterday and for more than half an hour, Dr. L. D. Dameron and Dr. Charles H. Gowan remained at her side. After she was restored, her husband carried her down the stairs to a waiting carriage and it is doubtful whether she will be able to be present in court today for the continuance of the \$6,000 damage suit in which she is plaintiff. Mrs. Smith is suing Freeman Fike for alleged injuries received when she was a passenger in a Fike stage. She charges that through the carelessness of the driver in going over a culvert the car gave a violent lurch and she was thrown from the rear seat, hitting the top of the car. Her neck and spine were wrenched and her nervous system shattered.

Mrs. Smith was not in the court room during the trial which began yesterday except for the short time she was on the stand and even that proved too much for her. After giving her testimony she went into Judge Stanford's chambers and shortly afterwards fainted. Physicians were hastily summoned and remained with her until she revived. Her condition last evening was better although she was still quite weak.

LITTLE CHANCE OF HELP FOR KERMEEN

Trial Judge Tells Jones That Man is Undoubtedly Sane

That Walter Kermeen, the condemned man who is due at the Phoenix prison tomorrow, is a very sane man is the opinion of Judge A. C. Lockwood, the superior judge who sentenced the prisoner the opinion having been expressed in a telegram which he sent to Attorney General Wiley Jones yesterday.

The telegram read as follows: "In my opinion Kermeen is a perfectly sane man, of the old-fashioned type, but is lacking in feeling of moral responsibility, and restrained only by fear of physical punishment. Do not think he feels any moral scruple and in that sense is not sane, but is otherwise of sound mind."

Judge Lockwood, who was appointed by Governor Hunt to fill the vacancy on the superior bench in Cochise county, caused by the resignation of Judge Frederick Sater, was the trial judge at the time Kermeen was placed on trial in the court, and probably is as familiar regarding the condemned man's mental condition as anyone would be who has been connected with the case.
